

APPLICATION INSTRUCTIONS

Computational Transportation Science IGERT University of Illinois at Chicago

PLEASE NOTE: Due to National Science Foundation restrictions, US citizenship or permanent residency is required for all IGERT Fellows.

New students: proceed with step 1 below.

Current UIC doctoral students: begin with step 2 (note: for fullest consideration, please apply to the CTS IGERT as early in your program as possible).

1. Apply for admission to chosen Ph.D. program via the UIC Graduate College. Submit additional materials as required by your chosen department.

This application, along with information about program-specific requirements and deadlines, is accessible online at: <http://grad.uic.edu/cms/>.

2. Complete the accompanying CTS IGERT application form.
3. Submit the following materials directly to the CTS IGERT program:
 - CTS IGERT application form
 - Current resume
 - Most recent transcript(s)
 - One-page proposal detailing your interest in the CTS IGERT program. This proposal should also include your research interests and a summary of previous research experience.

Mail these materials to:

IGERT Coordinator
Department of Computer Science
851 S. Morgan (M/C 152)
Room 1120 SEO
Chicago, IL 60607

or email to:

Laura Goddeeris, CTS IGERT Program Coordinator, lgodde@cs.uic.edu

Deadlines apply according to your chosen department. If the deadline for your chosen program has passed, please contact the Program Coordinator at the email address listed above.
